RIVER CLEANUP SET FOR APRIL 25

MISSOULA --

A student organization at The University of Montana-Missoula has decided to spend one day caring for the river areas of Missoula, and members would like the campus and city communities to join them.

Project Clean River will be held Saturday, April 25, from 10 a.m. to 6 p.m. Volunteers will spend the day cleaning nearby areas of the Blackfoot, Clark Fork and Bitterroot rivers. After cleanup, there will be a barbecue and prizes for all those who participate.

To sign up for the project, contact Ethan Wesley at 243-1789. Volunteers will be contacted about the specific area they will be cleaning. Interested people who do not sign up before the event can stop by the Sigma Phi Epsilon house, 333 University Ave., on Saturday. Sigma Phi Epsilon, the project's organizer, will provide rubber gloves and trash bags. Volunteers should bring any other necessary supplies, including lunch.
